

RESTORATIVE PRACTICES NETWORK

St Leonard's College
An education for life.

As a community you will no doubt be aware of some of the successes and challenges of both introducing and developing the Restorative Practices model within your own context. Though we clearly all agree that Restorative Practices is the model of choice to ensure more harmonious relationships amongst our staff and students, many people still have questions, as well as stories of success, that they would like to discuss with other like-minded professionals.

To facilitate this St Leonard's College would like to invite you to join the Restorative Practices Network.

Meetings will be held in 2012 on the following dates from 4pm to 5.30pm.

Term 1 – Wednesday 29 February

Term 2 – Monday 7 May

Term 3 – Wednesday 8 August

Term 4 – Tuesday 13 November

Meetings will be held at St Leonard's College, 163 South Road, East Brighton. There will be no cost involved for the meetings themselves but there might be some cost for any guest speakers which the network decides to engage.

The network will enable you to share your experiences of implementing Restorative Practices, ask questions of the group, develop collegial connections, and engage in specific professional learning as generated by the needs of the group.

If you would like to attend the first meeting, please email Bronwyn Jones at Bronwyn.Jones@stleonards.vic.edu.au, including your name, school, role within the school and contact details. Final details will be emailed to you before the meeting.

For further information, please email either Lydia Chisholm or Leah O'Toole at Lydia.Chisholm@stleonards.vic.edu.au or Leah.O'Toole@stleonards.vic.edu.au.
